

AGREEMENT ON ACADEMIC AND RESEARCH ACTIVITIES
BETWEEN
CHULALONGKORN UNIVERSITY, FACULTY OF PHARMACEUTICAL SCIENCES, THAILAND
AND
<PARTNER UNIVERSITY>

Chulalongkorn University, Faculty of Pharmaceutical Sciences in Thailand and the Faculty of ... , <partner university> in <country> agree to enter into the following terms of agreement with respect to furthering academic and research activities as follows:

Article 1 Scope of Academic and Research Activities

Both institutions shall engage in academic and research activities in the following mutually-agreed-upon fields:

- 1.1 Cooperative research
- 1.2 Exchange of staff for research, lectures, academic surveys, and other educational activities.
- 1.3 Exchange of documents, publications, information and materials for research purposes.

Article 2 Expenses for Academic and Research Activities

2.1 In principle, all expenses, such as international and domestic transportation, living and other expenses that might be necessary shall be borne by either the staff member who incurs them or the home institution.

2.2 The host institution shall enable the visiting staff member to access to relevant libraries and research facilities so that teaching and research can be conducted effectively.

2.3 The host institution shall provide assistance in securing living facilities and the obtaining of available scholarships or subsidies.

Article 3 Intellectual Assets

3.1 Intellectual assets listed as (1), (2) and (3) below, being created prior to the commencement of a research project, or during the course of a research project, or following the completion of a research project conducted under the terms of this Agreement, shall be handled in accordance with the respective laws and customs of the host country.

- (1) Intellectual assets such as data
- (2) Intellectual property such as know-how (e.g. experimental methods)
- (3) Intellectual property rights such as inventions

3.2 In case it becomes necessary to allocate these assets between the two institutions, the two institutions shall make a good faith consultation to determine the distribution of each of these assets.

Article 4 Personal Data Protection

When personal data is collected, used, disclosed, or processed for purpose of this Agreement, Chula and <partner University> acknowledge that, to the extent applicable, they subject to the General Data Protection Regulations (GDPR) 2016/679 of the European Parliament and the Personal Data Protection Act B.E. 2562 (2019) of Thailand.

Article 5 Dispute Resolution

Any disagreements or disputes arising while implementing this Agreement shall be discussed and settled by representatives from both institutions.

Article 6 Revision

The clauses of this Agreement may be revised or changed only upon written consent of both institutions. The proposed alterations shall be presented by the institutions and signed by the presidents of both institutions.

Article 7 Enforcement

This Agreement shall be effective from the date when the representatives from both institutions sign and date it and shall remain in force for a period of five (5) years from the date of the last signature, on the understanding that it may be terminated by either party giving six (6) months’ written notice to the other party. However, such termination shall not affect the completion of any program or activity underway at the time that the notice of termination is given. The Agreement may be extended by mutual written consent of the two parties.

This Agreement shall be written in English. Each institution shall retain one copy of the authentic Agreement on Academic and Research Activities.
